

LOVE IS MURDEROUS

Every whisper
That falls from your lips
Burns like poison
That I just can't quit
Loves addiction
A game of tortured souls
Loves addiction
A game of tortured souls

Chorus

Your love
Is like razors on my veins
Love is murderous and insane
Your love
Is like razors on my veins
Love is murderous and insane

Take a look into my
My dying soul
My affliction
Is loves strange hold
Deaths emotions
Love spirals downward untold
Loves addiction
A game of tortured souls

Chorus

Your love
Is like razors on my veins
Love is murderous and insane
Your love
Is like razors on my veins
Love is murderous and insane
