

BREAK MY HEART

What do you see
When you look at me
Do you see the scars
Can you feel my pain
Is it easy for you
To just let me fall away
Fall away

Chorus

Take me
Break my heart
Let me go
Once I fall apart
Take me
Break my heart
Let me go
Once I fall apart

Look me up
Look me down
Lay my heart out on the ground
On the ground
Sing my song of sorrow
Sing my song of pain
Sing my song of sorrow
Sing my song of pain
Sing my song of sorrow
Sing my song of pain

Chorus (3 times instead of twice)

Sing my song of sorrow
Sing my song of pain
Sing my song of sorrow
Sing my song of pain
My song of pain

Chorus (3 times instead of twice)

Sing my song of sorrow
Sing my song of pain
Sing my song of sorrow
Sing my song of pain
Sing my song of sorrow
