

## **DROWNING IN YOU**

Open my soul  
So dark and so cold  
Raining down with sorrow  
So lost and alone  
Dying with temptation

I'm drowning  
I'm drowning in you  
I'm drowning  
I'm drowning in you  
I'm drowning  
I'm drowning in you

Waiting for yesterdays  
That never seem to come  
Heartless is the memories  
Of what you have become

I'm drowning  
I'm drowning in you  
(repeat 4 time)

### *GUITAR SOLO*

I'm drowning  
I'm drowning in you  
(repeat 5 times)
